Re: Annexation Advisory Board for Southwest Washington Township Annexation

During the Westfield Town Council meeting of February 13, 2006 the Council outlined a plan to create the Southwestern Washington Township Annexation Advisory Board mentioned in resolution 04-24, which described the process for the annexation of the Southwestern area of Washington Township.

This annexation advisory board will be comprised of three (3) residents from the annexed area in southwestern Washington Township. To be eligible the residents must reside in the recent southwestern annexation area, and not currently be participating as a candidate in the 2006 elections for the Westfield Town Council positions.

The members of this Board will receive all documentation for all council meetings held during the remainder of the 2006 calendar year. They will be invited to provide advisory opinions on council agenda items.

The council has asked for residents who have an interest in serving on this Board to submit their name, address, and phone number via email or letter to the town manager of Westfield at jrosenberger@westfield.in.gov. (130 Penn Street, Westfield, In. 46074).

The deadline for the submissions is the end of business on March 3, 2006. A meeting of the residents who have indicated an interest will be held during the week of March 6, 2006. Questions may be directed to the Westfield Town Manager at 867-2222.
